PRESIDENT Arthur is said to have been very indignant when told that some of the Senators very near to him had stated that notwithstanding his crop throughout Minnesota is nearly veto of the river and harbor bill, they ready for harvest. Cutting in Southwould really be very glad to see it ern Minnesota will generally begin passed.

THE number of immigrants that arrived in the United States during the favorable-cool, clear and dry-until fiscal year ended June 30, 1882, was 789,003, being much larger than any been extremely warm. Yesterday was previous year in the history of the the hottest of the season so far. It is country, and an increase over the pre feared that the hot weather following ceding fiscal year of 119 572.

harbor bill, which especially affect causerust and blight in some back ward Tennessee, are the following: Little fields, where grain is not yet out of Tennessee, \$5000; South Forked Deer, milky stage. It is beleived, however \$3000; Duck, \$3000; French Broad, \$5000; Hiawasse, \$1500; Tennessee, above Chattanooga, \$7000; Tennessee, below Chattanooga, \$250 000. below Chattanooga, \$250 000.

a bill in the Legislature or Congress, bugs in several of the large wheat but it is a very different matter to get growing counties of Southern Minnea bill passed. During the sessions of sota, and in some low grades of Red Congress, about to adjourn, 7000 bills river valley, where there has been too were introduced in the House and much rain, but there is no general 2590 in the Senate. Then about injury to the crop over wide areas 500 resolutions were introduced, Estimates of the yield per acre sown is bringing up the entire number to from ten to eighteen bushels in the 10,000. Some one has gone to the southern counties, and from twelve to trouble to make a calculation, and fifteen in the northern counties, and in finds that these bills and resolutions. Dakota the estimated general average as printed, at a low estimate would is about fifteen bushels, with 2,400,000 cover 250 acres of ground, which is a screen reported by the Commissioner of Hon. S. S. Garrett, Chairman, etc.: good deal more than the whole of Statistics, will give an average crop of

he conceives to be right. We always an age of reason and toleration like and a largely increased yield is expectthis; yet, withal, brilliant and sincere |ed. We never took any stock in the charge | Corn is gaining rapidly, under the We never took any stock in the charge that he was employed by the Radical party. The fellow is in dead carnest and means all he says. Yet for all carly set back.

Corn is gaining rapidly, under the bon bulldozing and tissue ballot Deployer to be an honorable business morracy, and so feeling, entered upon the fight, with what vigor and what result the country is already familiar. I laborer calls for several thousand dollars but nothing in found. The silver bell. that, he is gentle as a girl and really more of the poet than politician or diplomat after all.

THE Courier-Journal says: One of the sins of the forty-seventh Congress is its antagonism to the National Board of Health. In declining to make the usual appropriation Congress has set itself flatly against the popular will. The people of the Mississippi valley know that the work of the National Board is a necessity; that it is a great safeguard against the introduction of epidemics from abroad. They want it continued, and they will have a Board, to a tain mollah has been particularly active dead certainty, resume its operations. lately, and the bulk of the garrison is years that are to come impartially It is a black commentary on this Congress that it can fritter away about the guards of Yeldiez Kiosk. Native deep sense of my own fallibility. It of new railways at 969 miles, says: "It \$19,000,000, or the greater portion of that princely sum, on insignificant was a groundless panic on Wednesday many gratifying expressions of configuration which has already many gratifying expressions of configuration which has already creeks, and refuse to equip an organization designed to maintain the public health, at a season of the year when that overshadowing interest requires a liberal appropriation to perform its

to the Knoxville papers of yesterday, the Kuma river in Caucassus. Crops, Demogratic and Republican, made a disgraceful exhibition of himself at kilometers, were burned. Maryville last Friday. About three hundred people assembled to hear him speak. Old Blount has been consid ered a Republican stronghold, and it of the English flag on public build ered a Republican stronghold, and it of the English flag on public build ings when the British occupied Sucz. SHOLES'

VOLUME IO, FOR 1883. Will be Issued, as Usual, November 10 to 15. COPYRIGHTED.

No Book Can Be Copyrighted Until Publication. Publication.

This citizens and business community will be visited at the proper time for information and orders, and I promise to merit the same cordial encouragement and liberal support that has been given me in former years. The well-knews house of S. O. TODF & CO. will continue to be reponsible for the typography, while I, as usual shall percentally compile and supervise the work.

Respectfully,

A. E. SHOLES, Publisher.
